

TimePlan Essex and East Anglia Regional Head Office

760 Eastern Avenue, Ilford
Essex IG2 7HU

TimePlan's Regional head office is situated in Ilford. Alongside the A12, the office has ready access to the whole of Essex and East Anglia.

From here all day-to-day and long term vacancies are co-ordinated. In addition, much of the interviewing and training of our teachers and nursery nurses takes place here. A cyber library is situated on one floor. A large number of books, videos, CD ROMs and worksheets are available for our teachers and nursery nurses to use. Refreshments including coffee, tea and biscuits are always on hand. All of these services and facilities are available completely free of charge throughout normal office hours to our teachers and nursery nurses. All we ask is that you ring (020 8518 3311) to book access to one of our bank of computers, and avoid disappointment.
